QUOTATION SHEET**Method of Award**

Contract will be awarded to the responsible bidder offering the lowest responsive bid, as determined by the Director, Office of Procurement.

Heavy and Automotive Original Equipment Manufacturer Service and Parts – Ford

- ◆ The lowest bid will be determined by a point system (see below) that will be applied to the Percentage Discount from Current Price List and Labor Rate per Hour for Repairs at Contractor's Facility. The County reserves the right to cancel or not to award an item, at its sole discretion.
- ◆ The lowest bid will be based on the highest percentage discount from the most current Manufacturer Published Price List for parts; and the lowest labor rate per hour bid. No price list other than the Manufacturer's Published Price List for parts will be accepted, unless the manufacturer does not have a price list. **In that case, a manufacturer's recognized price list of the bidder will be accepted, provided the bidder submits documentation from the manufacturer stating that it does not have a published price list, and that it accepts the bidder's own price list. An item with a price list other than the manufacturer's published price list; or the manufacturer's recognized price list of the bidder will be ruled non-responsive. Documentation and Statement of Price List(s) must be submitted as noted below, only if there is not a Manufacturer's Published Price List and the Manufacturer has recognized another price List.**
- ◆ It is requested that bidders submit the Manufacturer's Published Price List(s), which is most advantageous to the County from which percentage discounts are quoted, with their bids.
- ◆ Bidders must submit the Manufacturer's Published Price List(s) or MSRP List(s), which is most advantageous to the County from which percentage discounts are quoted, within ten (*10) working days from request by the County. **If there is no available Manufacturer's Published Price List(s) or MSRP List(s) for manufacturer(s) bid, the Bidder must submit a letter from the manufacturer(s) certifying that there are no published Manufacturer's Published Price List(s) or MSRP List(s).** Bidders failing to provide the Manufacturer's most current published Price List or certified letter from the manufacturer within ten (*10) business days from request by the County will not be considered for award. Bidder's Manufacturer's Published Price List(s) or MSRP List(s), from which percentage discounts are quoted, must be provided at any time after bid opening date through contract termination, at the request of the County.
- ◆ Bidder's Manufacturer's Published Price List(s), from which percentage discounts are quoted, must be provided at any time after bid opening date through contract termination, at the request of the County.
- ◆ A point system (see below) will be applied to the parts percentage discount and labor rate to determine the award. **The responsible bidder submitting a responsive bid with the highest combined point score will be awarded the contract. The bidder must submit a percentage discount for parts, and an hourly rate, to be eligible for an award for Repair Services at Contractor's Facility.**
- ◆ Percentage discounts for parts apply to parts delivered to the County, as well as parts utilized in the execution of an authorized repair order.
- ◆ If a bidder offers a 0% percentage discount, no points will be awarded for Percentage Discount from Current Price List.
- ◆ If there are no bids received for Repair Service (Labor Rate per Hour), an award for Parts Only (Percentage Discount from Current Published Price List) will be made to the responsible bidder offering the lowest responsive bid, as determined by the Director, Office of Procurement. The lowest bid will be determined by a point system (see below) that will be applied to the parts percentage discount. The responsible bidder, offering the lowest responsive bid (highest point score), will be awarded the contract.
- ◆ Bidders must submit their Online Access and In-Person Training rates, but this will not be factored into the scoring. Bidders failing to provide these rates will be deemed non-responsive and will not be considered for award.
- ◆ Additional expenses other than straight time (i.e., fuel surcharge, travel time, meals, lodging, etc.) will not be compensated by the County.

QUOTATION SHEET cont'd**Award Evaluation Example**

Points will be awarded for the most advantageous price to the County for parts at a Percentage Discount from Current Published Price List; and the Labor Rate per Hour for Repairs at the Contractor's Facility.

Each percentage discount point from the Current Manufacturer's Published Price List will be a point awarded to the bidder, **Example: (37% off current Published Price List equates to 37 points).**

Each Labor Rate dollar per hour below \$230.00 per hour will receive one point, **Example: (A bid of \$219.00 per hour equates to 11 points).**

In the example above, a bidder with a percentage discount of 37% for parts, and labor rate of \$219.00 per hour would receive a combined score of 48 points.

The labor rate per hour offered must be at or below \$230.00 per hour or the bid will be rejected as non-responsive.

Additional expenditures (fuel surcharge, freight, overhead, shop supplies, EPA compliance, bid insurance requirements, travel time, etc.) must be included in the Percentage Discount from Current Published List Price and Labor Rate per Hour bid.

NOTE: Bidders bidding on Parts Only are exempt from compliance with Section A, Provision #27 of the solicitation.

NOTE: It is estimated that yearly expenditures under this contract will approximate the quantities listed on the Quotation Sheet. Under the terms of this Invitation for Bids, however, the resultant contract shall be considered a "requirements-type" contract only. No guarantee of purchases/repairs of any specific yearly quantity or total dollar amount is made. In addition, all purchases/repairs are contingent upon the appropriation and encumbrance of fiscal funding.

QUOTATION SHEET

Method of Award

Contract will be awarded to the responsible bidder offering the lowest responsive bid, as determined by the Director, Office of Procurement.

Heavy and Automotive Original Equipment Manufacturer Service and Parts -- Ford

- ◆ The lowest bid will be determined by a point system (see below) that will be applied to the Percentage Discount from Current Price List and Labor Rate per Hour for Repairs at Contractor's Facility. The County reserves the right to cancel or not to award an item, at its sole discretion.
- ◆ The lowest bid will be based on the highest percentage discount from the most current Manufacturer Published Price List for parts; and the lowest labor rate per hour bid. No price list other than the Manufacturer's Published Price List for parts will be accepted, unless the manufacturer does not have a price list. **In that case, a manufacturer's recognized price list of the bidder will be accepted, provided the bidder submits documentation from the manufacturer stating that it does not have a published price list, and that it accepts the bidder's own price list. An item with a price list other than the manufacturer's published price list; or the manufacturer's recognized price list of the bidder will be ruled non-responsive. Documentation and Statement of Price List(s) must be submitted as noted below, only if there is not a Manufacturer's Published Price List and the Manufacturer has recognized another price List.**
- ◆ It is requested that bidders submit the **Manufacturer's Published Price List(s), which is most advantageous to the County** from which percentage discounts are quoted, with their bids.
- ◆ Bidders must submit the Manufacturer's Published Price List(s) or MSRP List(s), which is most advantageous to the County from which percentage discounts are quoted, within ten (*10) working days from request by the County. **If there is no available Manufacturer's Published Price List(s) or MSRP List(s) for manufacturer(s) bid, the Bidder must submit a letter from the manufacturer(s) certifying that there are no published Manufacturer's Published Price List(s) or MSRP List(s).** Bidders failing to provide the Manufacturer's most current published Price List or certified letter from the manufacturer within ten (*10) business days from request by the County will not be considered for award. Bidder's Manufacturer's Published Price List(s) or MSRP List(s), from which percentage discounts are quoted, must be provided at any time after bid opening date through contract termination, at the request of the County.
- ◆ Bidder's **Manufacturer's Published Price List(s)**, from which percentage discounts are quoted, must be provided at any time after bid opening date through contract termination, at the request of the County.
- ◆ A point system (see below) will be applied to the parts percentage discount and labor rate to determine the award. **The responsible bidder submitting a responsive bid with the highest combined point score will be awarded the contract. The bidder must submit a percentage discount for parts, and an hourly rate, to be eligible for an award for Repair Services at Contractor's Facility.**
- ◆ Percentage discounts for parts apply to parts delivered to the County, as well as parts utilized in the execution of an authorized repair order.
- ◆ If a bidder offers a 0% percentage discount, no points will be awarded for Percentage Discount from Current Price List.
- ◆ If there are no bids received for Repair Service (Labor Rate per Hour), an award for Parts Only (Percentage Discount from Current Published Price List) will be made to the responsible bidder offering the lowest responsive bid, as determined by the Director, Office of Procurement. The lowest bid will be determined by a point system (see below) that will be applied to the parts percentage discount. The responsible bidder, offering the lowest responsive bid (highest point score), will be awarded the contract.
- ◆ Bidders must submit their Online Access and In-Person Training rates, but this will not be factored into the scoring. Bidders failing to provide these rates will be deemed non-responsive and will not be considered for award.
- ◆ Additional expenses other than straight time (i.e., fuel surcharge, travel time, meals, lodging, etc.) will not be compensated by the County.

Award Evaluation Example

Points will be awarded for the most advantageous price to the County for parts at a Percentage Discount from Current Published Price List; and the Labor Rate per Hour for Repairs at the Contractor's Facility.

Each percentage discount point from the Current Manufacturer's Published Price List will be a point awarded to the bidder, **Example: (37% off current Published Price List equates to 37 points).**

Each Labor Rate dollar per hour below \$230.00 per hour will receive one point, **Example: (A bid of \$219.00 per hour equates to 11 points).**

In the example above, a bidder with a percentage discount of 37% for parts, and labor rate of \$219.00 per hour would receive a combined score of 48 points.

The labor rate per hour offered must be at or below \$230.00 per hour or the bid will be rejected as non-responsive.

Additional expenditures (fuel surcharge, freight, overhead, shop supplies, EPA compliance, bid insurance requirements, travel time, etc.) must be included in the Percentage Discount from Current Published List Price and Labor Rate per Hour bid.

NOTE: Bidders bidding on Parts Only are exempt from compliance with Section A, Provision #27 of the solicitation,

NOTE: It is estimated that yearly expenditures under this contract will approximate the quantities listed on the Quotation Sheet. Under the terms of this Invitation for Bids, however, the resultant contract shall be considered a "requirements-type" contract only. No guarantee of purchases/repairs of any specific yearly quantity or total dollar amount is made. In addition, all purchases/repairs are contingent upon the appropriation and encumbrance of fiscal funding.

1. BID GUARANTEE

A Bid Guarantee (Bid Bond or Irrevocable Letter of Credit), must accompany each Bid and be duly executed by the Bidder as a principal, and made payable to Montgomery County. See the Bid Cover Sheet for the amount required for the Bid Guarantee for this particular bid. A copy of the Bid Guarantee must be submitted electronically, in PDF format, with your Bid. Prior to award, the successful Bidder(s) must present an original copy of the Bid Bond or Irrevocable Letter of Credit to the Office of Procurement, 27 Courthouse Square, Suite 330, Rockville, MD 20850. The County reserves the right of approval of any instrument offered as Bid Guarantee.

2. INTENT

- A. The Intent of this Invitation for Bids is to establish a Fixed Price or Rate of Discount Contract for the purchase of goods/services for Montgomery County, Maryland, as per the Terms, Conditions, Specifications, and/or Scope of Work, and Quotation Sheet contained herein.
- B. The Intent of the Invitation for Bids is to establish a Time and Materials Contract(s) with a responsible Contractor(s) to complement County forces at various County facilities, as may be required and as may be directed by the Director, Office of Procurement, and as called for in the SCOPE OF WORK statement(s) attached. All work shall be performed by a Specialty Contractor of established reputation who is regularly engaged in the performance of the specified work and who maintains, and makes available for this purpose, a regular force of skilled workmen.

3. METHOD OF AWARD

- A. The contract will be awarded to the responsible bidder submitting the lowest responsive bid, as determined by the Director, Office of Procurement. The lowest bidder is determined by the aggregate amount of the unit prices extended by the quantities set forth on the Quotation Sheet. Bidders must bid each item in order to be eligible for an award.
- B. The contract will be awarded by group to the responsible bidder submitting the lowest responsive bid, as determined by the Director, Office of Procurement. The lowest bid is determined by the aggregate amount of the unit prices extended by the quantities set forth in each group on the Quotation Sheet. Bidders must bid each item within a particular group in order to be eligible for an award for the group itself.
- C. The contract will be awarded to the responsible bidder submitting the lowest responsive bid, as determined by the Director, Office of Procurement. The lowest bidder is determined by the lowest unit price bid.
- D. The contract will be awarded by line item to the responsible bidder submitting the lowest responsive bid, as determined by the Director, Office of Procurement.
- E. The contract will be awarded by any other Method of Award as stated on the Bid Cover Sheet.

Regardless of which Method of Award is selected for this bid (Items A-E), THE DIRECTOR, OFFICE OF PROCUREMENT, reserves the right to award a contract by individual items, in the aggregate, or in any combination thereof, or to reject any or all bids and to waive any informality in bids received whenever such rejection or waiver is in the best interest of the County. Additionally, bidders are hereby notified that the Montgomery County Code, Section 11B-56 concerning the procurement of recycled materials and supplies is applicable to this solicitation. The Code requires, where practicable, procurement by the County of materials and supplies recycled from solid waste, and authorizes the use of a percentage price preference.

The percentage price preference for this solicitation is stated on the Bid Cover Sheet of this particular bid.

Recycled Material as defined by Section 11B-56 means "material recovered from or otherwise diverted from the waste stream, including recycled paper. It includes post-consumer waste, industrial scrap material and obsolete inventories..." A percentage price preference means "the percentage by which a responsive bid from a responsible bidder whose product contains recycled materials (or a greater use of recycled materials) may exceed the lowest responsive bid submitted by a responsible bidder whose product does not contain recycled materials (or a lesser use of recycled materials)."

Bidders offering recycled products as defined by the County Code are cautioned that in order to be eligible for the price preference, the County must be aware at bid opening that the product being offered is recycled. Failure to provide specifications and/or other documentation at bid opening indicating that the product being offered is recycled may result in the bidder not receiving the price preference.

Bidders are also advised that a decision on use of a specification for a good containing recycled materials or a percentage price preference is within the sole discretion of the County and may not be appealed.

4. OPTIONAL PRE-BID CONFERENCE(S)

One or more optional Pre-Bid Conference(s) will be held. It is optional, though highly recommended that prospective bidders attend the pre-bid conference(s). For information regarding the date, time, and place of the conference(s), see the Bid Cover Sheet.

5. OR EQUAL INTERPRETATION

Unless stated otherwise in the Scope of Services, identification of an item by manufacturer's name, trade name, catalog number, or reference is intended to be descriptive but not restrictive in that it is used for the purpose of describing the type, style, quality, performance and minimum specifications of the product desired, and shall not be interpreted to mean the only acceptable product. Bids on other makes and/or models will be considered provided the bidder clearly states in the spaces provided in the Quotation Sheet what is being proposed and forwards with the bid complete descriptive literature indicating the character of the article being offered and addressing all specifications of this solicitation.

The County reserves the right to accept or reject, in its sole discretion, items offered as an "equal".

6. QUESTIONS

All technical and non-technical questions pertaining to this Invitation for Bids should be directed to the individuals whose names are indicated on the Bid Cover Sheet.

7. SAMPLES

When samples are required it will be so indicated. Samples must be submitted so as to arrive at the designated location prior to the opening of bids and must be identified with the NAME OF BIDDER, BID NUMBER AND BID ITEM NUMBER. Failure to properly identify samples may cause bid to be considered nonresponsive. Samples shall be free of charge and delivered at the bidder's expense. The County will have the right to destroy, alter, or mutilate samples in examination for specification or performance compliance without charge from bidder. Samples may be removed within ten (10) days after award. Samples may at the County's option be retained for the life of any subsequent contract period.

8. ACCEPTANCE TIME

By submission of an offer under this solicitation, the offeror agrees that the County has 120 days after the opening date in order to issue an award. The County reserves the right to reject, as nonresponsive, any offer that specifies less than 120 days of acceptance time. Upon mutual agreement between the County and the Offeror, the acceptance time for the Offeror's bid may be extended.

9. ALTERNATE OFFERS

Bidders must bid only one (1) product and one (1) price per bid item even though they feel they can offer more than one item that will meet the specifications. Bidders must determine for themselves which to offer. If a bidder submits more than one (1) product and/or more than one (1) price for a given bid item or items, it may be cause for the item or items bid upon to be considered non-responsive and rejected.

10. AWARD OR REJECTION OF BID

- A. Failure to submit requested data, surety, or other documents in the electronic bid submission as may be required herein may be cause for rejection of the bid.
- B. The County reserves the right to accept or reject any or all bids, or portion thereof, to give an offeror an opportunity to cure any deficiency resulting from a minor irregularity in a bid or to waive the deficiency, whichever is to the advantage of the County, and to award the Contract in the best interest of the County. The decision of the Director with respect to whether a defect is a minor informality is made in the sole discretion of the Director and is not subject to review and may not be challenged by a bidder.
- C. Conditional or qualified bids are subject to rejection.
- D. The County reserves the right to reject the bid of a bidder who has previously failed to perform properly or to complete in a timely manner, contracts of a similar nature, or if investigation shows the bidder unable to perform the requirements of the contract.

11. BID PREPARATION EXPENSES

All costs incurred in the preparation and submission of bids will be borne by the bidder and shall not be incurred in anticipation of receiving reimbursement from the County.

12. BID PROTESTS

All protests made pursuant to this solicitation must be in writing and delivered to the Director, Office of Procurement: (a) within ten (10) calendar days after the Director, Office of Procurement, publicly posts the proposed contract award, if the bidder seeks as a remedy the award of the contract or costs under Section 11B-36(h) of the Montgomery County Code, or (b) before the submission date for bids, if the bidder seeks as a remedy the cancellation or amendment of the solicitation. **Each protest must contain a protest filing fee in the amount of \$500 (US currency); if the fee is paid by check, then the check must be made out to "Montgomery County Government". The Director, Office of Procurement, may return the filing fee to the protesting bidder, if the protest is sustained.** The Director, Office of Procurement, must dismiss any protest not timely received.

Only an "aggrieved" bidder may file a protest. Aggrieved means that the bidder who is filing the protest may be eligible for an award of the contract if the protest is sustained (e.g., a fourth ranked bidder is not aggrieved unless the grounds for a protest, if sustained, would disqualify the top three ranked bidders or would require that the solicitation be reissued).

Each protest must contain the following: identification of the solicitation; the name, address, email address, fax and telephone numbers of the protesting offeror; a statement supporting that the bidder is aggrieved; and specification of all grounds for the protest, including submission of detailed facts and all relevant documents, citation to relevant language in the solicitation, regulations, or law relied upon; and, all other matters which the bidder contends supports the protest. The burden of production of all relevant evidence, data, and documents, and the burden of persuasion, to support the protest is on the bidder making the protest.

The County will reject as nonresponsive a bid under this solicitation, which is conditioned on payment of proper invoices in less than thirty (30) days. The County's Standard Payment Terms are Net Thirty (30) Days. This does not preclude an offeror from offering a prompt payment discount for payment of proper invoices in less than thirty (30) days. An optional prompt payment term is not required, but may be offered conditioned on the following basis: Only a prompt payment discount conditioned on a thirty-day or greater payment basis will be utilized to recalculate prices for purposes of the Method of Award process for price only. Prompt payment discounts may be offered on a shorter payment basis and adopted by the County at time of award, but will not be considered during the Method of Award process.

- B. The unit price will govern in the event of a discrepancy between the unit price bid and the extended price.
- C. The sum of the extended prices will govern in the event of a discrepancy between the aggregate total bid and the extended prices.
- D. The written words will govern in the event of a discrepancy between the prices written in words and the prices written in figures.

21. PROMPT PAYMENT DISCOUNT TERMS

Bidders please note: Prompt payment discounts will be considered in the evaluation of your bid if the discount on payments is not conditioned on payment being made in less than thirty (30) days from receipt of invoice.

22. PROPRIETARY & CONFIDENTIAL INFORMATION

This is to notify prospective bidders that the County has unlimited data rights regarding bids submitted in response to its solicitations. Unlimited data rights means that Montgomery County has the right to use, disclose, reproduce, prepare derivative works, distribute copies to the public, or perform publicly and display publicly any information submitted by offerors in response to this or any solicitation issued by the County. However, information that is deemed to be confidential commercial or financial information as defined by the Maryland Information Act, State Government Article §10-617, will be exempted from disclosure if the submitter can show that release of such information would cause substantial competitive harm to the submitter.

It is the responsibility of the bidder to clearly identify each part of his/her offer that it believes is confidential commercial or financial information by stamping the bottom right hand corner of each pertinent page with one inch bold face letters stating the words "confidential" or "proprietary". The bidder agrees, with regard to any portion of the bid that is not stamped "proprietary" or "confidential" that it believes, and expressly permits, the County to deem it not to be proprietary or confidential.

In both instances above, the information gathered on the visit and inspection on the Contractor or its Subcontractor(s) may be used by the County to determine the responsibility of a Bidder.

If so requested, a bidder may be required to submit information about its reputation, past performance, business, and financial capability, and other factors that demonstrate that the bidder is capable of satisfying the County's needs and requirements for this solicitation.

25. SOLICITATION AMENDMENTS

BIDDERS MUST ACKNOWLEDGE RECEIPT OF SUCH SOLICITATION AMENDMENTS, to the place designated, and prior to the hour and date specified in the solicitation (as amended) for receipt of Bids. **UNLESS A WAIVER IS GRANTED, BIDDERS THAT DO NOT TIMELY ACKNOWLEDGE RECEIPT OF SOLICITATION AMENDMENTS BY ONE OF THE FOLLOWING METHODS WILL BE REJECTED:**

- (a) by acknowledging receipt of the amendment on the Solicitation, Bid, and Award sheet submitted.
- (b) by a signed statement that the amendment is acknowledged which indicates the solicitation and amendment numbers, and is submitted with the bid or prior to the bid due date and time.

A waiver may be granted by the Director, Office of Procurement, if it is deemed to be in the County's best interest. No waiver may be granted, however, until the bidder states in writing that the bidder will be bound by any substantive changes made by the amendment to the terms of the solicitation. 26. VERBAL EXPLANATIONS

Verbal explanations or instructions given by a Montgomery County employee to an offeror in regard to this solicitation are not binding on the County. Any information given to a bidder, in response to a request, will be furnished to all bidders as an amendment to this solicitation, if such information is deemed necessary for the preparation of bids, or if the lack of such information would be detrimental to the uninformed bidders. Only such amendments, when issued by the Director, Office of Procurement, will be considered as being binding on the County.

27. SERVICES CONTRACT (County Code 11B-33A)

Under County law, a solicitation for a contractor to provide services is subject to the Montgomery County Code regarding compliance with certain wage requirements payable to the Contractor's employees. Additional information regarding the County's wage requirements is contained within this solicitation (see the provision entitled "Wage Requirements for Services Contracts Addendum to the General Conditions of Contract between County and Contractor" and its companion documents entitled "Wage Requirements Certification" and "501(a)(3) Non-profit organization/s Employee's Wage and Health Insurance Form). If a bidder fails to submit and complete the required material information on the Wage Requirements Certification form, its bid may be deemed unacceptable under County law and may be rejected for nonresponsiveness.

The Prevailing Wage Law applies to all construction contracts and to mechanical systems services contracts that meet minimum threshold contract values. Unless otherwise excluded by County law, a County-financed construction contract and a mechanical systems service contract that meet minimum threshold contract values are subject to the Montgomery County Code regarding compliance with the prevailing wage paid to construction workers, as established for the County by the Maryland State Commissioner of Labor and Industry. Additional information regarding the County's prevailing wage requirements is contained within this solicitation/contract (see the provision entitled "Prevailing Wage Requirements for Construction Contract Addendum to the General Conditions of Contract between County and Contractor").

An aggrieved employee is a third-party beneficiary of this Contract and the employee may, by civil action, recover the difference between the prevailing wage for the type of work performed and the amount actually received, with interest and a reasonable attorney's fee.

29. LOCAL BUSINESS PREFERENCE (LBP)

Only a Bidder who: (1) has a valid local business certification when the business submits a timely proposal; or (2) has applied for local business certification prior to the due date/time to submit a proposal, will receive a 10 percent price preference with a ceiling of \$200,000, in accordance with Executive Regulations 13-20. Also, refer to:

<https://www.montgomerycountymd.gov/pro/dbrc/LBPP.html>.

The contractor certifies that all information the contractor has provided or will provide to the County is true and correct and can be relied upon by the County

in awarding, modifying, making payments, or taking any other action with respect to this contract including resolving claims and disputes. Any false or misleading information is a ground for the County to terminate this contract for cause and to pursue any other appropriate remedy. The contractor certifies that the contractor's accounting system conforms with generally accepted accounting principles, is sufficient to comply with the contract's budgetary and financial obligations, and is sufficient to produce reliable financial information.

The County may examine the contractor's and any first tier subcontractor's records to determine and verify compliance with the contract and to resolve or decide any claim or dispute arising under this contract. The contractor and any first tier subcontractor must grant the County access to these records at all reasonable times during the contract term and for 3 years after final payment. If the contract is supported to any extent with federal or state funds, the appropriate federal or state authorities may also examine these records. The contractor must include the preceding language of this paragraph in all first tier subcontracts.

2. AMERICANS WITH DISABILITIES ACT

The contractor agrees to comply with the nondiscrimination requirements of Titles II and III, and other provisions, of the Americans with Disabilities Act of 1990, Pub. Law 101-336, and ADA Amendments Act of 2008, Pub. Law 110-325, as amended, currently found at 42 U.S.C., § 12101, et seq., and 47 U.S.C., ch. 5.

3. APPLICABLE LAWS

This contract must be construed in accordance with the laws and regulations of Maryland and Montgomery County. The Montgomery County Procurement Regulations are incorporated by reference into, and made a part of, this contract. In the case of any inconsistency between this contract and the Procurement Regulations, the Procurement Regulations govern. The contractor must, without additional cost to the County, pay any necessary fees and charges, obtain any necessary licenses and permits, and comply with applicable federal, state and local laws, codes and regulations. Through signature of this contract, the contractor certifies that the contractor has filed an initial statement with the Maryland State Board of Elections in compliance with MD Code Ann., Election Law, §14-104(b)(1), or is not required to file an initial statement as per MD Code Ann., Election Law, §14-104(c)(2).

For purposes of litigation involving this contract, except for contract Disputes discussed in paragraph 8 below, exclusive venue and jurisdiction must be in the Circuit Court for Montgomery County, Maryland or in the District Court of Maryland for Montgomery County.

The County's prevailing wage law, as found at §11B-33C of the County Code, applies to certain construction and mechanical systems service contracts. To the extent applicable, the County's prevailing wage requirements are enumerated within this solicitation/contract in the "Prevailing Wage Requirements for Construction Contract Addendum to the General Conditions of Contract between County and Contractor." If applicable to this contract, the Addendum will be attached to the contract, and will be incorporated herein by reference, and made a part thereof.

Furthermore, certain non-profit and governmental entities may purchase supplies and services, similar in scope of work and compensation amounts provided for in a County contract, using their own contract and procurement laws and regulations, pursuant to the Md. State Finance and Procurement Article, Section 13-101, et. seq.

Contractor and all of its subcontractors must comply with the provisions of County Code §11B-35A and must not retaliate against a covered employee who discloses an illegal or improper action described in §11B-35A. Furthermore, an aggrieved covered employee under §11B-35A is a third-party beneficiary under this Contract, who may by civil action recover compensatory damages including interest and reasonable attorney's fees, against the contractor or one of its subcontractors for retaliation in violation of that Section.

The contractor agrees to comply with the requirements of the Displaced Service Workers Protection Act, which appears in County Code, Chapter 27,

Human Rights and Civil Liberties, Article X, Displaced Service Workers Protection Act, §§ 27-64 through 27-66.

Montgomery County's Earned Sick and Safe Leave Law, found at Sections 27-76 through 27-82 of the County Code, became effective October 1, 2016. An employer doing business in the County, as defined under the statute, must comply with this law. This includes an employer vendor awarded a County contract. A vendor may obtain information regarding this law at <http://www.montgomerycountymd.gov/humanrights/>

4. ASSIGNMENTS AND SUBCONTRACTS

The contractor must not assign or transfer this contract, any interest herein or any claim hereunder, except as expressly authorized in writing by the Director, Office of Procurement. Unless performance is separately and expressly waived in writing by the Director, Office of Procurement, an assignment does not release the contractor from responsibility for performance of this contract. Unless otherwise provided in the contract, the contractor may not contract with any other party for furnishing any of the materials or services herein contracted for without the written approval of the Director, Office of Procurement. Any subcontract for any work hereunder must comport with the terms of this Contract and County law, and must include any other terms and conditions that the County deems necessary to protect its interests. The contractor must not employ any subcontractor that is a debarred or suspended person under County Code §11B-37. The contractor is fully responsible to the County for the acts and omissions of itself, its subcontractors and any persons either directly or indirectly employed by them. Nothing contained in the contract documents shall create any contractual relation between any subcontractor and the County, and nothing in the contract documents is intended to make any subcontractor a beneficiary of the contract between the County and the contractor.

5. CHANGES

The Director, Office of Procurement, may unilaterally change the work, materials and services to be performed. The change must be in writing and within the general scope of the contract. The contract will be modified to reflect any time or money adjustment the contractor is entitled to receive. Contractor must bring to the Contract Administrator, in writing, any claim about an adjustment in time or money resulting from a change, within 30 days from the date the Director, Office of Procurement, issued the change in work, or the claim is waived. Any failure to agree upon a time or money adjustment must be resolved under the "Disputes" clause of this contract. The contractor must proceed with the prosecution of the work as changed, even if there is an unresolved claim. No charge for any extra work, time or material will be allowed, except as provided in this section.

The contractor further assures the County that, in accordance with those laws, it does not, and will not, discriminate against an individual with respect to hiring, recruitment, or referral for a fee, of an individual for employment or the discharge of an individual from employment, because of the individual's national origin or, in the case of a citizen or prospective citizen, because of the individual's citizenship status.

19. INDEPENDENT CONTRACTOR

The contractor is an independent contractor. The contractor and the contractor's employees or agents are not agents of the County.

20. INSPECTIONS

The County has the right to monitor, inspect and evaluate or test all supplies, goods, services, or construction called for by the contract at all reasonable places (including the contractor's place of business) and times (including the period of preparation or manufacture).

21. INSURANCE

Prior to contract execution by the County, the proposed awardee/contractor must obtain at its own cost and expense the minimum insurance specified in the applicable table (See Tables A and B) or attachment to these General Conditions, with one or more insurance company(s) licensed or qualified to do business in the State of Maryland and acceptable to the County's Division of Risk Management. The minimum limits of coverage listed shall not be construed as the maximum as required by contract or as a limitation of any potential liability on the part of the proposed awardee/contractor to the County, nor shall failure by the County to request evidence of this insurance in any way be construed as a waiver of proposed awardee/contractor's obligation to provide the insurance coverage specified. Contractor must keep this insurance in full force and effect during the term of this contract, including all extensions. Unless expressly provided otherwise, Table A is applicable to this contract. The insurance must be evidenced by one or more Certificate(s) of Insurance and, if requested by the County, the proposed awardee/contractor must provide a copy of any and all insurance policies to the County. At a minimum, the proposed awardee/contractor must submit to the Director, Office of Procurement, one or more Certificate(s) of Insurance prior to award of this contract, and prior to any contract modification

Contractor must provide to the County at least 30 days written notice of a cancellation of, or a material change to, an insurance policy. INDEMNIFICATION - INFRINGEMENT

If contractor will be preparing, displaying, publicly performing, reproducing, or otherwise using, in any manner or form, any information, document, or material that is subject to a copyright, trademark, patent, or other property or privacy right, then contractor must: obtain all necessary licenses, authorizations, and approvals related to its use; include the County in any approval, authorization, or license related to its use; and indemnify and hold harmless the County related to contractor's alleged infringing or otherwise improper or unauthorized use. Accordingly, the contractor must protect, indemnify, and hold harmless the County from and against all liabilities, actions, damages, claims, demands, judgments, losses, costs, expenses, suits, or actions, and attorneys' fees and the costs of the defense of the County, in any suit, including appeals, based upon or arising out of any allegation of infringement, violation, unauthorized use, or conversion of any patent, copyright, trademark or trade name, license, proprietary right, or other related property or privacy interest in connection with, or as a result of, this contract or the performance by the contractor of any of its activities or obligations under this contract.

23. INFORMATION SECURITY

A. Protection of Personal Information by Government Agencies:

In any contract under which Contractor is to perform services and the County may disclose to Contractor personal information about an individual, as defined by State law, Contractor must implement and maintain reasonable security procedures and practices that: (a) are appropriate to the nature of the personal information disclosed to the Contractor; and (b) are reasonably designed to help protect the personal information from unauthorized access, use, modification, disclosure, or destruction. Contractor's requirement to implement and maintain reasonable security practices and procedures must include requiring any third-party to whom it discloses personal information that was originally disclosed to Contractor by the County to also implement and maintain reasonable security practices and procedures related to protecting the personal information. Contractor must notify the County of a breach of the security of a system if the unauthorized acquisition of an individual's personal information has occurred or is reasonably likely to occur, and also must share with the County all information related to the breach. Contractor must provide the above notification to the County as soon as reasonably practicable after Contractor discovers or is notified of the breach of the security of a system. Md. Code Ann., State Gov't. § 10-1301 through 10-1308 (2013).

B. Payment Card Industry Compliance:

In any contract where the Contractor provides a system or service that involves processing credit card payments (a "Payment Solution"), the Payment Solution must be Payment Card Industry Data Security Standard Compliant ("PCI-DSS Compliant"), as determined and verified by the Department of Finance, and must (1) process credit card payments through the use of a Merchant ID ("MID") obtained by the County's Department of Finance by and in the name of the County as merchant of record, or (2) use a MID obtained by and in the name of the Contractor as merchant of record.

24. NON-CONVICTION OF BRIBERY

The contractor hereby declares and affirms that, to its best knowledge, none of its officers, directors, or partners or employees directly involved in obtaining

contracts has been convicted of bribery, attempted bribery, or conspiracy to bribe under any federal, state, or local law.

25. NON-DISCRIMINATION IN EMPLOYMENT

The contractor agrees to comply with the non-discrimination in employment policies and/ or provisions prohibiting unlawful employment practices in County contracts as required by Section 11B 33 and Section 27 19 of the Montgomery County Code, as well as all other applicable state and federal laws and regulations regarding employment discrimination.

The contractor assures the County that, in accordance with applicable law, it does not, and agrees that it will not, discriminate in any manner on the basis of race, color, religious creed, ancestry, national origin, age, sex, marital status, disability, or sexual orientation.

The contractor must bind its subcontractors to the provisions of this section.

26. PAYMENT AUTHORITY

No payment by the County may be made, or is due, under this contract, unless funds for the payment have been appropriated and encumbered by the County. Under no circumstances will the County pay the contractor for legal fees, late fees, or shipping fees that are not provided for in the contract. The contractor must not proceed to perform any work (provide goods, services, or construction) prior to receiving written confirmation that the County has appropriated and encumbered funds for that work. If the contractor fails to obtain this verification from the Office of Procurement prior to performing work, the County has no obligation to pay the contractor for the work.

If this contract provides for an additional contract term for contractor performance beyond its initial term, continuation of contractor's performance under this contract beyond the initial term is contingent upon, and subject to, the appropriation of funds and encumbrance of those appropriated funds for payments under this contract. If funds are not appropriated and encumbered to support continued contractor performance in a subsequent fiscal period, contractor's performance must end without further notice from, or cost to, the County. The contractor acknowledges that the County Executive has no obligation to recommend, and the County Council has no obligation to appropriate, funds for this contract in subsequent fiscal years. Furthermore, the County has no obligation to encumber funds to this contract in subsequent fiscal years, even if appropriated funds may be available. Accordingly, for each subsequent contract term, the contractor must not undertake any performance under this contract until the contractor receives a purchase order or contract amendment from the County that authorizes the contractor to perform work for the next contract term.

27. P-CARD OR SUA PAYMENT METHODS

The County is expressly permitted to pay the vendor for any or all goods, services, or construction under the contract through either a procurement card ("p-card") or a Single Use Account ("SUA") method of payment, if the contractor accepts the noted payment method from any other person. In that event, the County reserves the right to pay any or all amounts due under the contract by using either a p-card (except when a purchase order is required) or a SUA method of payment, and the contractor must accept the County's p-card or a SUA method of payment, as applicable. Under this paragraph, contractor is prohibited from charging or requiring the County to pay any fee, charge, price, or other obligation for any reason related to or associated with the County's use of either a p-card or a SUA method of payment.

28. PERSONAL PROPERTY

All furniture, office equipment, equipment, vehicles, and other similar types of personal property specified in the contract, and purchased with funds provided under the contract, become the property of the County upon the end of the contract term, or upon termination or expiration of this contract, unless expressly stated otherwise.

29. TERMINATION FOR DEFAULT

The Director, Office of Procurement, may terminate the contract in whole or in part, and from time to time, whenever the Director, Office of Procurement, determines that the contractor is:

(a) defaulting in performance or is not complying with any provision of this contract;

(b) failing to make satisfactory progress in the prosecution of the contract; or
(c) endangering the performance of this contract.

The Director, Office of Procurement, will provide the contractor with a written notice to cure the default. The termination for default is effective on the date specified in the County's written notice. However, if the County determines that default contributes to the curtailment of an essential service or poses an immediate threat to life, health, or property, the County may terminate the contract immediately upon issuing oral or written notice to the contractor without any prior notice or opportunity to cure. In addition to any other remedies provided by law or the contract, the contractor must compensate the County for additional costs that foreseeably would be incurred by the County, whether the costs are actually incurred or not, to obtain substitute performance. A termination for default is a termination for convenience if the termination for default is later found to be without justification.

30. TERMINATION FOR CONVENIENCE

This contract may be terminated by the County, in whole or in part, upon written notice to the contractor, when the County determines this to be in its best interest. The termination for convenience is effective on the date specified in the County's written notice. Termination for convenience may entitle the contractor to payment for reasonable costs allocable to the contract for work or costs incurred by the contractor up to the date of termination. The contractor must not be paid compensation as a result of a termination for convenience that exceeds the amount encumbered to pay for work to be performed under the contract.

31. TIME

Time is of the essence.

32. WORK UNDER THE CONTRACT

Contractor must not commence work under this contract until all conditions for commencement are met, including execution of the contract by both parties, compliance with insurance requirements, encumbrance of funds, and issuance of any required notice to proceed.
